Work Experience **2008 Motion Graphics Designer**

As the art director and compositor at StudioBozzetto for different projects involving *3D Animation, Motion Graphics for TV shows, and video projection for different clients*. I learned how understanding the client and be flexible and ready to change is important as much as the technical skills.

2007-2008 Motion Graphics Freelance Designer

As freelance for different studios in Milan like Wip Italia srl, Fast Forward srl, Nexttvlab srl, Unist srl, developing a wide variety of projects for television and the Web (*Web Video, animated Logo, Channel Identity, TV Show identity*). I had the opportunity to improve my skills working with different teams of individuals and acquired valuable interpersonal skills.

2006-2007 Motion Graphics Designer

As a Motion Graphics Designer at NextMedialab I had the opportunity to gain experience in Television, using *3D Animation and Motion Graphics* to create *Channel Identity, TV Show identity, and taking part to executive meetings with clients, directors and producers*.

2003-2006 Graphic Freelance Designer

As a university student i started as a freelance Designer for clients in Milan such as Gps Europe, Cusl, Relec, Rolling Stone Milano, LA Modelli, FOM, Diesse, Presenza. "As a result I gained expertise in *advertising, brochure design, Brand Identity, website design and illustration*."
